Make the Half Square Triangles:

1. Pencil a diagonal line on the back of a 8 7/8" Gray Swirl square. Pair right sides together with a 8 7/8" Dk Yellow Zebra square. Sew seams along both sides of the penciled line with 1/4" seam allowance.
2. Cut the square apart on the penciled line and carefully press open the half square triangles to make two 8 1/2" half square triangles from each pair of squares. Repeat to sew and press open a total of six Gray Swirl/Dk Yellow Zebra half square triangles.
3. Repeat the method above to make six each of the following combinations of half square triangles: Dk Yellow Zebra/Blue Animal Toss; Blue Animal Toss/White Zebra; White Zebra/Aqua Dots; Aqua Dots/Green Dots; Green Dots/Green Animal Toss; Green Animal Toss/Brown Swirl; Brown Swirl/Yellow Dots.

Sew the Center Together

1. Sew into a horizontal row the six Gray Swirl/Dk Yellow Zebra half square triangles, turning the squares as shown in the quilt picture to make a chevron pattern. Press the seam allowances in one direction. Repeat with the remaining rows of each color set; press the seam allowances in each row in the opposite direction of the row just before it.
2. Sew the eight rows together as shown in the quilt picture. Press the quilt top front and back.

Finish the Quilt

1. Layer the top, batting and backing and baste for quilting. Quilt as desired and trim away the excess backing and batting from around the outside border.
2. Make the binding from Aqua Dots 2 1/2" wide strips and apply to the quilt.

Add the Cat Faces

1. Enlarge the cat face pattern 135% and transfer to fabric. Apply fusible web following the manufacturer's instruction. Assemble the Yellow Dots cat face and fuse in the upper right corner as shown in the quilt picture.
2. Repeat with the Dk Yellow Zebra cat face and fuse in the lower left corner.
3. Machine finish the edges of the shapes with thread of matching color. Press the cat faces to remove any stitching distortion.
