Directions

Prior to starting this project, please check our web site for any updates: www.clothworkstextiles.com.

Butterfly Block - Finished Size: 8" x 8"

1. Draw a diagonal line on the wrong side of a 4½” x 3½” Multi Color Bird rectangle and sew across it using the remaining 2" White Organic squares and the 2½” x 4½” rectangles of Multi Color Bird, Cream, Black, Aqua, Green and Pink Butterfly Toss.

2. Draw a diagonal line on the wrong side of a 2½” White Organic square and place it on the right top corner of the quilt top, trim and press. Repeat to make thirty-six (six of each color combination) using the remaining 2½” White Organic squares and the 2½” x 4½” rectangles of Multi Color Bird, Cream, Black, Aqua, Green and Pink Butterfly Toss.

3. Place the Black Dot rectangles on the right and left sides of the quilt, press and trim excess. Repeat this step to make a total of eighteen (three of each color combination) using the remaining 2½” White Organic squares and the 2½” x 4½” rectangles of Multi Color Bird, Cream, Black, Aqua, Green and Pink Butterfly Toss.

4. Draw a diagonal line on the wrong side of a 4½” x 3½” Multi Color Bird rectangle and sew across it diagonally (draw a line on the wrong side if that will help you), trim and press. Repeat this step reversing the placement of the unit from step 2 and the 4½” x 3½” Black Dot rectangle. Repeat to make eighteen (three of each color combination) using the remaining 2½” White Organic squares and the 4½” x 3½” rectangles of Multi Color Bird, Cream, Black, Aqua, Green and Pink Butterfly Toss.

5. Layout the top, middle and bottom of the butterflies, referring to the color photo. Sew the sections together, press using black embroidery floss, embroider antennas onto each butterfly using a stem stitch or another stitch of your choice.

Putting It Together

1. Referring to the color photo, layout the butterfly blocks and 8½” square Multi Bird/Floral squares as shown. Sew the units into rows, pressing each row in the opposite direction then sew the rows together.

2. Sew the 1½” x WOF Multi Bird/Floral strips end to end to make one long strip. Sew this strip to the right side of the quilt top, press and trim excess. Repeat on the left, top and bottom of the quilt.

3. Repeat step 2 using the 1½” x WOF Purple Triangle strips.

4. Repeat step 2 using the 6½” x WOF Aqua Bird/Floral strips.

5. Layer quilt top, batting and backing and quilt as desired. Add binding to the quilt
